6<sup>th</sup> October 2025

Dear Principal,

I hope you have had a wonderful start for this academic year and I would like to take this opportunity to invite you and your students to our annual Info Day to be held on 26<sup>th</sup> October 2025 (Sunday).

Tsung Tsin Christian Academy (TTCA) takes pride in its vibrant learning community, passionate educators and dedication to providing outstanding education to its students in Hong Kong. I would be delighted to meet your parents and students to keep them abreast of the latest secondary school trends and comprehensive academic programmes that TTCA has on offer to foster the development of independent and global citizens.

In the recent years, I have been reaching out to different primary schools by offering seminars to introduce the unique features of our school. It would be a great pleasure to address parents of your school as well. This can be done in person at your school in form of a seminar or webinar, which will be conducted either by me, Vice Principal Mr. Cheung or Vice Principal Mr. Ng.

If your students would like to have a glimpse of TTCA, they may find our brochure at:
